# Study Buddy •

Are you coming to the TU Clausthal in the near future? And would you like...

- to prepare yourself for your stay in Germany,
- to be assisted upon your arrival,
- to receive answers to your questions, preferably by an "insider",
- to meet fellow students from Clausthal as quickly as possible, and
- to improve your German skills?

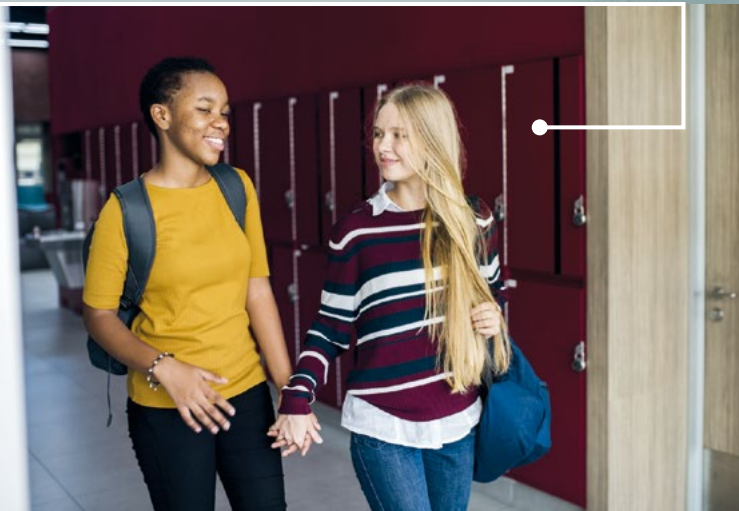

Then the Study Buddy program is the right choice for you!

## What is a Study Buddy?

When you come to Clausthal as an exchange student, a Study Buddy can help you take your first steps in Clausthal. Even before you arrive, you will receive a lot of important information. Your Study Buddy will pick you up and show you around the city and the university so that you can settle into your new surroundings quickly.

## How does the Study Buddy program work?

The International Center Clausthal (IZC) establishes contact between students. Students who are interested should please fill out the registration form.
